Dear Mr. Carlsen,

I have been in South Dakota for the last two weeks visiting my daughter and just returned last night, October 14, 2005. I picked up the mail this morning and found the preliminary Director's report concerning my water rights in Eastern Idaho. I could not comply with the mailing date of, before October 14, 2005, in returning this to you because of it being Saturday the 15<sup>th</sup> and the Post Office was closed by the time I went through the information concerning my water rights. I don't have any disagreement with the information that you have listed on your forms concerning my water rights. I shall send this as expedited mail Monday morning.

I sincerely hope this is not a problem.

Rich E Orme
