**Re: Blaine County School District #61 - Notice of Change in
Water Right Ownership;
Our File No. 1155/97042**

Dear Trish:

I represent the Blaine County School District #61. It has recently come to our attention that property the District purchased in 1993, on which the Wood River Middle School is now located, included certain appurtenant water rights delivered through the Hiawatha Canal. Therefore, we have prepared, signed and enclosed the original and one copy of a Notice of Change in Water Right Ownership for these water rights. Will you please receipt date stamp the copy and return it to me in the postage prepaid, self-addressed envelope included for that purpose and also send me printouts of the revised claims after the ownership change has been entered into your database.

Please call me right away if you have any questions about the Notice, including the deeds in the chain of title to the property. Thank you for your continuing cooperation and assistance in these matters.

Sincerely yours,
