RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #63-32034
Lonnie L and Lynne Svedin

The only water right processed on your Notice of Security Interest received September 22, 2005, was 63-32034 where your Grantor (the Svedins) had conveyed part of the land under water right 63-31275 to Wortley and Thomas. The conveyance required splitting 63-31275 into two new water right numbers, one of which is 63-32034.

Water right 63-31274 for land in the NE¼ of Section 8 is not associated with the land described in the documents submitted with the Notice. As a result, no further fee is required.

The processing of your Notice is complete and will remain in IDWR records until July 1, 2030, or when you notify us sooner when the mortgage is satisfied or the Grantor is released from the mortgage.

Sincerely,

Donald V. Shaff, MPA
Manager, Adjudication Technical Section
