Re: Subcase Nos. 29-320, 321, 322
Treasure, Jenkins, Vaughan

Dear Candice:

On these subcases we read into the record a settlement agreement and Al Ruberry is in the process of preparing an SF5 accordingly. This will result in our client, the Treasure Ranch family withdrawing their Objection to Claim No. 29-10462 of Lazy VZ Trust (Bloxham) and the Treasures' Claims No. 29-320, 29-321, and 29-322 amended to add to the place of use 20 acres and increase the quantity by 0.40 cfs.

My notes reflected that the Treasures may also need to file an Amendment to their Claims to reflect the additional 20 acres and 0.40 cfs additional quantity. Since the quantity and place of use are the same under all three of these rights, and since leave of Court was granted at the initial hearing April 22, 2004, it appears to me that this can be handled the easiest by simply filing an Amended Notice of Claim to cover the amendments to all three together. I am attaching a proposed Amended Notice of Claim for this purpose for your review and approval in advance of filing and serving the same. You will note I have attached the IDWR Recommendations, rather than the initial Claim, because there was considerable difference between them. Further, there will be additional changes to the Recommendation based on the SF5 Al Ruberry is working on.
