Mr. Brown,

I own 83.5 irrigated acres minus the homestead and right of ways. Your office has reduced the irrigated acres to 72, which I question. The 1909 right was reduced and after several calls to your office with no response, I also question any response on the 1898 right. I question ~~that~~ 11.5 acres you have taken out of irrigation on my property.

Sincerely,
Jim Weiss
