RE: Amendment of Snake River Basin Adjudication (SRBA) claim 29-00443B

Dear Mr. and Mrs. Firtch,

Enclosed is the amended claim we spoke about on the phone. Please look over the claim an initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office as soon as possible.

In addition, we spoke about how my evidence at this point only indicates beneficial use of water on 1 irrigated acre. 1987 NAPP photography, which shows irrigated ground in red, and 1992 TERRASERVER aerial photography does not indicate signs of additional irrigated acreage (enclosed).

Idaho code 42-222 states that after 5 years of continuous non-use of a water right, the right is subject to forfeiture.

If you feel this assessment is incorrect you need to provide evidence that Pocatello creek water has been continuously put to beneficial use on additional acreage.

Please feel free to contact me with any questions.

Respectfully submitted,

Craig L. Saxton
