

## MEMORANDUM

**TO:** File #78-4188  
**FROM:** Sally Sherman   
**DATE:** November 14, 2005  
**RE:** Ownership Change

Dr. Jay Munsey called me this afternoon (208/628-3435) re my November 7, 2005 letter to him in response to his incomplete ownership change. He told me he doesn't care if everything's in his deceased brother's name **since they all had the same address and the property is owned by the whole family.**

He said, "it's no big deal, but filling out the paperwork and getting an aerial photo is." I assured him we'd leave the records as they were. I confirmed his HC and box number have not changed.
