**Re: James D. And Sheila White - Lot 4, Block 1 of
Bellevue Farms Subdivision - Notices of Change in
Water Right Ownership
Our File No.: 239/050175**

Dear Trish:

I represent James D. And Sheila M. White, the owners of Lot 4 in Block 1 of Bellevue Farms Subdivision. My clients acquired the property in 1998, but were not told at the time that a portion of the groundwater rights (37-2557F) had already been transferred and was appurtenant to the lot. Therefore, I have now prepared and had my clients sign the Notice of Change in Water Right Ownership for this water right. I have also prepared and had my clients sign the Notice of Change in Water Right Ownership for the portions of the six Big Wood River water rights appurtenant to this property conveyed to them by the Bellevue Farms Land Owners Association in August, 2004. Finally, my firm's Notice of Appearance on behalf of my clients for all of these water rights is also included.

Please receipt date stamp the copies of the two Notices of Change in Water Right Ownership and the Notice of Appearance and return them to me in the postage, pre-paid self-addressed envelope included for that purpose.
