till June 16 to provide additional Information

General Notes From Meeting w/ Bill Woodland

≈ 160 AC < $\frac{1}{3}$ actually irrigates

≈ Uncle Acquired Property in 1995-1996

Farmed and Irrigated 1913

≈ ~~to~~ South side of Creek irrigated by Williams & Crandall

= 1960 Started to sub divide from Butikoter to Woodland.

= All Flood Irrigated.

= Casper, Williams, Woodland and Crandall bought all same time.

≈ Hay and Grain

= 1983 - File Permit ≈

= 63 Acres of old Ranch = divided into 70 ac
Attempting to split the irrigatable acres equally b/w
Williams, Woodland, & Crandall

= Irrigates Some Ground
