Claimants of Decreed Right 29-00449 (split portions: A/C/D)

Re: Request for proof of water right ownership

Dear Claimant:

In reference to the above described water right there have been several claims to portions thereof. At this point the water right for use of Pocatello Creek water for irrigation purposes is over-claimed. To conduct an investigation and recommendation of the portions claimed, proof of water right ownership is required.

Please provide a copy of your deed or conveyance instrument to this office by March 22, 2002. **If such proof is not presented a disallowed recommendation could result.**

Thank you for your attention in this important matter. I look forward to your timely response. Please feel free to contact me at the above address/phone number.

Respectfully submitted,
