Re: Amended claims 67-26F and 67-27F and change of address

Dear Mr. and Ms. Brandt,

Per my conversation with Dennis, I am enclosing two amended claims. I have highlighted in yellow everything that I changed. As I had briefly mentioned on the phone, these claims were originally claimed for 10 acres each. Dennis said that the actual irrigation practice is to use the water from all rights on the 19 acres irrigated. Based on the information you gave me, amending the claims to claim 19 acres under each right, simply describes the irrigation practice as it actually exists.

Please look over the amended claims and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to me ASAP. There is no filing fee for the amended claims.

In addition, I need your signature to change the address on water right 67-4523F (amending claims 67-26F and 67-27F will change address for them, but we need your approval to change the address on 67-4523F as well).

You were sent a change of address form with the last mailing. You can send that in, or if it is easier, sign and return this letter to me indicating that you would like to change the mailing address on 67-4523F to:
