RE: Minidoka Irrigation District Right of Way

Dear Mr. Fletcher:

I am writing in response to your letter dated July 15, 2005, to Michael Holliday. By review of the information that you have provided, the Idaho Department of Water Resources ("IDWR") remains unable to recommend the acres below the interstate highway as claimed by Minidoka Irrigation District. The documents do not show why the irrigation district has been unable to move the water to other lands.

Please provide additional documentation that you believe supports your contention that the acreage below the interstate highway should be included as irrigated acreage; please provide it to Michael Holliday at IDWR's Eastern Region Office at 900 N Skyline Dr. Ste. A, Idaho Falls, ID 83402-1718 **by August 26, 2005**.

If you should have any questions or comments, please feel free to contact me at (208) 287-4810.

Very Truly Yours,

Deputy Attorney General, IDWR
