1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

*question whether the amount pumped is what it should be (not enough) Have been trying to determine what system pumps.*

2. Describe the changes you wish to make in the proposed recommendation:

*I would like to meet to talk & figure what the actual usage is. I have*

3. Give a brief explanation as to why you disagree with these portions:

*some historic figures but don't know how to convert. Also want to compare to usage of other parcels in the same (Basin land) system.*

I AGREE with this proposed recommendation: no changes need to be made.
