RE: Snake River Basin Adjudication Claim (SRBA) 29-13205.

Dear Steve,

Enclosed is the SRBA claim we spoke about in the office on July 16, 2001. Please look over the claim and initial any changes you wish to make. When you are satisfied, please sign the claim in front of a notary and return it to me with the filing fee of \$104.50. Fee breakdown is \$50 claim fee, \$50 late fee, and \$1 per acre for 4.5 acres.

Please include a copy of the evidence you found that shows your well was drilled before 1987, and the statement we spoke about confirming your statement that your well water was used for irrigating the entire acreage prior to 1987. If possible, I would have that statement notarized as well.

If you could return the above items to me as soon as possible, we should then be on the right track to secure your ground water rights for the future. Please feel free call if you have any questions.

Respectfully submitted,

Craig L. Saxton
