

7/25/01: Recommend 4.5 ac
? diversion Rate

POD: See GPS

Priority: 6/17/1902

11/7/01: Recommend this Right. If Steve files GW claim
limiting factors for diversion Rate and acreage will
need to be filed

: Claimed 0.03 cfs/acre. Since Right split among several
different Rights - Recommend same diversion Rate of 0.02 cfs/acre
