1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Point of diversion changed. Same point as Claim # 02-02124. Boundaries changed as pivot no longer used. Since it is no longer irrigated by a pivot system.

2. Describe the changes you wish to make in the proposed recommendation:

*Boundaries are as outlined on the enclosed map.
(Reassign boundaries to those outlined on the enclosed map.)*

3. Give a brief explanation as to why you disagree with these portions:

Removed pivot and installed wheelmes, so the acres are basically the same but the configuration is different.

☐ I AGREE with this proposed recommendation: no changes need to be made.
