Candice,

Claim 29-524 is Ivans Waterline Account. Mr. Cheirrett has claimed 29-556. With his canal shares in the Farmers Land & Irrigation Co. he has enough to irrigate with. The only problem is 29-522. It was decreed in the Bancroft-Lund to Cheirrett but he has not claimed it in the SRBA. I have written him letters and spoke with his wife about it and they haven't come in to claim it yet. With out this claim they will be short but I don't know what else to do for them.

Claim 29-524 was decreed in the B-L for 8 homes. It claims a place of use for domestic/stock on land owned by Mr. Cheirrett. There was a house on the property at one time but it has been torn down. Can we do a partial forfeiture in the SRBA for a decree in the B-L? If you look at the 1987 NAPP photography you can see the home.

Cindy,

Did you get your question about changing the use and source under 29-524 in order to allow Mr. Cheirrett enough water to irrigate his lands? I'm going through my in-box and I found that email with no notes that it had been resolved but I seem to recall a response from Ernie on this one. Let me know.

Candice
