Re: Change of Ownership Form and Water Right Number 29-539.

Dear Mr. Neibaur,

Please find enclosed a new preliminary recommendation for a water right for the Snake River Basin Adjudication. Since this was a water right that was decreed in the Bancroft-Lund Decree, it has been recommended exactly as was previously decreed.

Please look this over and see if this appears to be in order. If you have any further questions in this regard, please feel free to call me at 525-7161.

Sincerely,

W. Roger Warner
Adjudication Agent

Enclosure: Preliminary recommendation for a water right 29-539.
