

MEMORANDUM

TO: File #2-7172K
FROM: Sally Sherman 
DATE: December 8, 2005
RE: Address Change

Christy Zito (208/599-0728) called me this afternoon after she received their recommendation and Notice of Error Reply Form. I pulled their file to investigate. Although they had written "Zito Farms, LC/Gordon John and Christy Zito" on their ownership change form, the Warranty Deed was to Gordon John and Christy Zito as individuals, making no mention of Zito Farms, LC. She told me they were trying to get Zito Farms, LC off of everything.

Changing the record by deleting "c/o Zito Farms, LC" was acceptable since it didn't change the ownership.

I printed a new NOE and recommendation and mailed it to them and let Misty Mount, the agent who made the recommendation, know what had transpired.
