Subject Map of CRP Land

Dear Cindy,

I received your letter dated January 15, 2002. I am sorry I forgot to include the information you needed. Apparently the CRP ground that the city has is not irrigated. I have found out that the land was put into CRP in or about 1983, so I my guess is I sent you a copy of the renewal contract. I hope this answers your questions. Please for give me as I am new at this job.
Thanks.

Sincerely;

Subject: Map of CRP Land

Dear Dianne,

I received the copy of the CRP contract. Which irrigated lands is included in CRP? I need the legal description and a copy of an aerial map with the effected property highlighted. Was the land put into CRP in 1997 or was this a renewal contract?

If you have any additional questions please feel free to contact me at our Soda Springs office.

REF: Snake River Basin Adjudication (SRBA)

SUBJECT: CRP Contract

Dear Claimant(s);

The Idaho Department of Water Resources has recently begun its water right review in Basin 29. The Notice(s) of Claim identified with the number shown **above in the "address" label** has been filed in the Snake River Basin Adjudication (SRBA).

It is our goal to recommend historical water rights within the Snake River Basin as accurately as possible. A field examination to verify items in the Notice will be conducted by Department personnel as soon as the weather permits. I was able to visit some of you this year before the snow arrived. While waiting for the weather to cooperate again I would like to collect some of the necessary documentation needed to recommend your claim to the SRBA court. The statute (42-104) requires the water be put to beneficial use to have a valid water right. One exception to the statute is if the land has been put into CRP. But evidence must be submitted to the Department of Water Resources to retain the water right otherwise the water right will not be recommended to the SRBA court.

If you have previously irrigated land that has been put into CRP, I would appreciate it if you could send me a copy of the contract when the land was put into CRP for my records, **by March 1, 2002. If you do not have any land in CRP please disregard this notice.** With no response from you, we will assume that you do not have any land in CRP. You may contact either the Farm Service Agency (FSA) or Natural Resource Conservation Service (NRCS) in Soda Springs at 547-4396 for a copy of the contract.

Please feel free to contact me in Soda at (208) 547-3993 if you have any additional questions. Have a safe and happy holiday.

Sincerely;

A handwritten signature in cursive script that reads "Cindy E. Bird".
