RE: CHANGE OF OWNERSHIP

A change of ownership from Andrews - Probst from 1999 would have caused two more splits resulting in a total of 6 claims. After checking with the county assessor, and reviewing all the deeds, Ernie and Don Shaff decided it would be best to start over from the two original claims: 74-2331A & B. Rights 74-2331C, D, E, and F were deleted. A was split into 74-15021(Andrews) and 74-15022 (Probst). B was given to Probst. All the original deeds and correspondence remain in C,D,E and F.
