Hi. I found 74-451 and did a little research and I think this is what happened: 74-451 was mistakenly filed in the name of Lindstrom, but belonged to Gordon Kirschenmann. He worked with Craig to fix the problem, and Craig assigned 74-451 to Kirschenmann and created 74-451A to Lindstrom. A few days after this was done, the court partially decreed 74-451 to Lindstrom. So, I think the 74-451 partial decree needs to be set aside and recommended under the name of Kirschenmann.

Roxanne, do you want the 74-451 file or a copy of it? It has Craig's notes and Kirschenmann's new claim. Ernie, what do you recommend we do? Thanks, Jen
