GJT

In 1990 Mr. Leo Lish came into our office to file a claim on property he owned in Bannock County. We had no record of a "Decree" for land Mr. Lish owned. Mr. Lish had a copy of a decree and Keith Wilson data-entered the claim as a decreed right and gave it a 10000#(A29-11668). The name of the decree is Lish vs. Kulp and is dated 1957. Keith informed state office of decree and they gave it water right number 29-00615.

Jerry Dunne came in in 1990 also and filed on a portion of 29-00615: 12 acres, 0.24 cfs in NENE sec. 30. This claim was numbered A29-00615A.

Kurt Hair filed change in ownership in 9/92 and we changed all of A29-00615A to Hairs. Hair only owns 5 of the 12 acres and Petersen owns another 5 acres.

Therefore: A29-00615A (SPLIT RIGHT) C & D

A29-00615B (LISH) renumbered from
A29-11668.

A29-00615C (HAIR)

A29-00615D (PETERSEN)

**These claims will need to be reviewed for 1868 pr. date.

A29-07662- 3 acres; 6 homes- change in ownership to Evergreen Acres Water Association Inc.
