Subject: 10 Basin 74 NCAFs

Dear IDWR,

Today at approximately 4:20 PM I dropped off a packet to be left on Danni's Desk. This packet included 10 BLM claims in Basin 74. They are listed as follows:

7404681903 (74-14775)
7404682096
7404682153 (74-15515)
7404682911
7404682912
7404682913
7404682914
7404682915
7404682916
7404682917

Excepting 74-14775 and 74-15515, all are in need of IDWR numbers. Having inherited NCAFs, I unfamiliar on how to properly acquire IDWR numbers. This being my first foray into submitting NCAFs, I seek your guidance so that in the future this process can be completed in a manner that is less stressful for all.

We wanted to get these into your office before the Irrigation Report was issued. Since we got them to you so close to the deadline, does that mean that they will appear in the Miscellaneous Claims Report?

Thank you very much for your patience. If you have any questions or comments, please reply or call me at 373-3830. Thanks again and have a good day.

Respectfully,

Joe Hess
