Re: IDWR Water Right Nos. 2-2220, 2-2221, 2-2222.

Dear Carter:

Enclosed are amended notices of claim for each of the above referenced water rights. These amendments convert the places of use described under each of these rights into a permissible place of use.

With the filing of the enclosed amendments, there is no reason to continue with the processing of SRBA claim no. 2-10026. Simplot does not intend to object to the disallowal IDWR provided in its preliminary recommendation for claim no. 2-10026. Consequently, reference to claim 2-10026 recommended among the "other water rights used" for 2-2220, 2-2221 and 2-2222 should be removed before the Director's Report is filed with the SRBA Court.

Sincerely,

Vic Conrad
