- 1a. I disagree with IDWR's area totals for Lot 5 & Lot 6.
- 1b. I disagree with the time that we had to respond to potential errors. I was sent IDWR's preliminary recommendation of water rights on November 18, 2005 and did not receive it until November 21, 2005.
- 2a. I want IDWR to change the acreage for Lot #5 to 19 acres and the acreage for Lot #6 to 17 acres.
- 3a. If you use the map and scale provided dated October 9, 2003 Lot #5 is bigger than Lot #6. This is why I want the changes to take place, since IDWR wants to change my original water right. I have enclosed a copy of my original water right.
- 3b. From the date sent to the date received gave me a total of 11 days to research and respond to IDWR's recommendation, with a Thanksgiving Holiday in those 11 days as well. I do not feel the water right users were given enough time for their responses to IDWR's findings. I was also out of town for week during this period.

Thank you for your time
