Enclosed is Affidavit completed by Jack Huff,
454 Loneridge Lane, Ontario, Oregon, re the above
claim.

I forwarded all the literature sent us by your office
to Mr. Huff along with a sample print-out of the
type information required from him. Mr. Huff
sounds to be quite elderly & obviously did not
comprehend what information he was being asked
to provide & returned it without signature notarization.
He strangely included the address of his Nebraska
property.

I was disappointed as I thought after locating Mr Huff
all would be taken care of properly. — & was at a
loss of what to do with us here in Wyoming & him
in Oregon. I am, however, forwarding his
Affidavit on to your office to show that we
tried to obtain the info as requested.

Sincerely,
Patricia L. Myers
