Re: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #75-10339

Dear Ms. Pennington:

I've updated our records to reflect your address change. Before we can remove "Fuller" from your name, however, we need a Notice of Change in Water Right Ownership form completed. I have enclosed that form for your use. Enclosing a copy of a legal document showing your name change will replace the requirements for a Warranty Deed and map.

Since your water right claim is still pending before the SRBA court, you may ignore Item 8 of the instructions.

Please call me toll-free at 1/800-451-4129 if you have any questions or concerns.

Sincerely,

Sally Sherman

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.
