RE: Snake River Basin Adjudication (SRBA) Claims 29-02070, 29-02110, 29-02129, 29-02142,
and 29-04244.

Dear Mr. McDevitt,

I am enclosing a map that shows a compilation of the irrigated land you claimed, along with the location of the points of diversion associated with each claim. After our discussion on July 12, 2001, I don't feel totally confident that the claims accurately describe your water use. Please look over the map and see if you agree.

If you don't feel that your claims accurately describe your water use, I think that it would be beneficial to set up an appointment here in our office where we could sit down and go through these claims one by one and ensure that I understand your irrigation system.

It is important that I understand your irrigation so I can make an accurate recommendation to the SRBA court.

Please give me a call at your convenience to discuss this matter.

Respectfully Submitted,

Craig L. Saxton
