Subject: To Justin Oleson re SRBA claim nos. 27-14, 27-4079, 27-4y, 10390 , 10398

Justin -

This e-mail is in response to our conversations of the past few weeks re the water rights/ SRBA claims referenced above. Attached is an e-mail with scanned documents. The first 2 pages are from the Stevens Decree [IDWR decree # 27-C] regarding decreed rights 27-4 and 27-14. I have also included 2 pages from the land list in the Stevens case with information about the places of use of the 2 decreed rights 27-14 and 27-4.

Re 27-4y, 27-10390, 27-10398 - [you indicated you thought this last right should be 10389]:

27-4Y-this right is in the name of Casey Reid and was formed from a split from 27-4J
27-13090 - this right is in the name of Marlene and Wallace Reid and was formed from a split from 27-4J
27-10398 - this right is in the name of Marlene and Wallace Reid and was formed from a split from 27-4K
27-10389 - this right is in the name of Fred Vincent and was formed from a split from 27-4K

Re 27-4079:

Our database indicates that this was a statutory claim not a decreed right [not decreed in the Stevens decree]. Making a statutory claim was an old method of claiming a water right which does not mean that the right was proven to be valid or awarded in any way by IDWR or its predecessor. This method of claiming of right is not longer used, though the statutory claim is used to provided information to substantiate an SRBA claim. That is all the information our database contains - I doubt that Cindy has additional information because the purpose of the letters we sent our was to obtain more information regarding claims.

Please call if you have questions regarding this e-mail.

Vicky, will these
work?
