Re: Snake River Basin Adjudication (SRBA)
Claim 27-37E

Subject: CLARIFICATION OF CLAIM

Response Date: February 13, 2004

Dear Claimant(s):

Our office is reviewing your above referenced Notice of Claim and need some additional information and clarification to recommend your claim to the SRBA Court.

Bingham County Assessors Office has informed us of a new address for you. For us to modify your Notice of Claim you need to fill out an address change form. For your convenience I am enclosing a Change of Address form. Please return the completed form to my office by the above response date.

Also there is an error with the legal description for the Place of Use (POU). In your claim you state that the POU is in Township 3S, Range 35E, Section 9, with 15 acres in the NENW and 4 acres in the SENW. However, according to the Bingham County Assessor's Office this property is owned by Steckleins. Further, the Assessor's Office plat map locates the property in Government Lot 4 within Section 9.

I am enclosing a copy of two drawings. One is a spatial dynamics drawing that outlines 18 acres in yellow. The second drawing is a copy of the plat map from the county. This map indicates that you own three small tracts. The larger piece designated as "T-430" appears to be the property that was claimed the Water Right claim filed in 1989.

We need to know which property you still own and was any water right intended to be conveyed with the property. Please provide us with their name and address so that we may forward them an Ownership Change form.

There also seems to be some confusion on the claim regarding the Water Transfer No. 807. This transfer moved the POU to Township 3S, Range 34E, Section 23, NOT Township 3S, Range 35E, Section 9. The point of diversion (POD) was also changed in transfer 807 to Township 2S, Range 37E, Section 18, Government Lot 5.

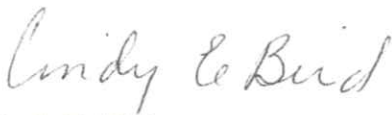

To help clarify your claim, please provide us with the following information:

1. Your property boundaries outlined on the attached drawings.
2. A copy of your tax lot description or warranty deed.
3. The name and address of anyone to whom you sold the property and the date of sale.
4. Completed Change of Address Notice of Claim form.

This office must receive your response by the response date shown above. If no response is received then your claim will not be recommended to the Court.

If you have any questions please feel free to contact me at 547-3993.

Respectfully,

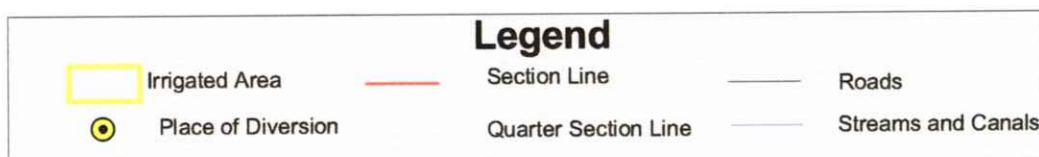

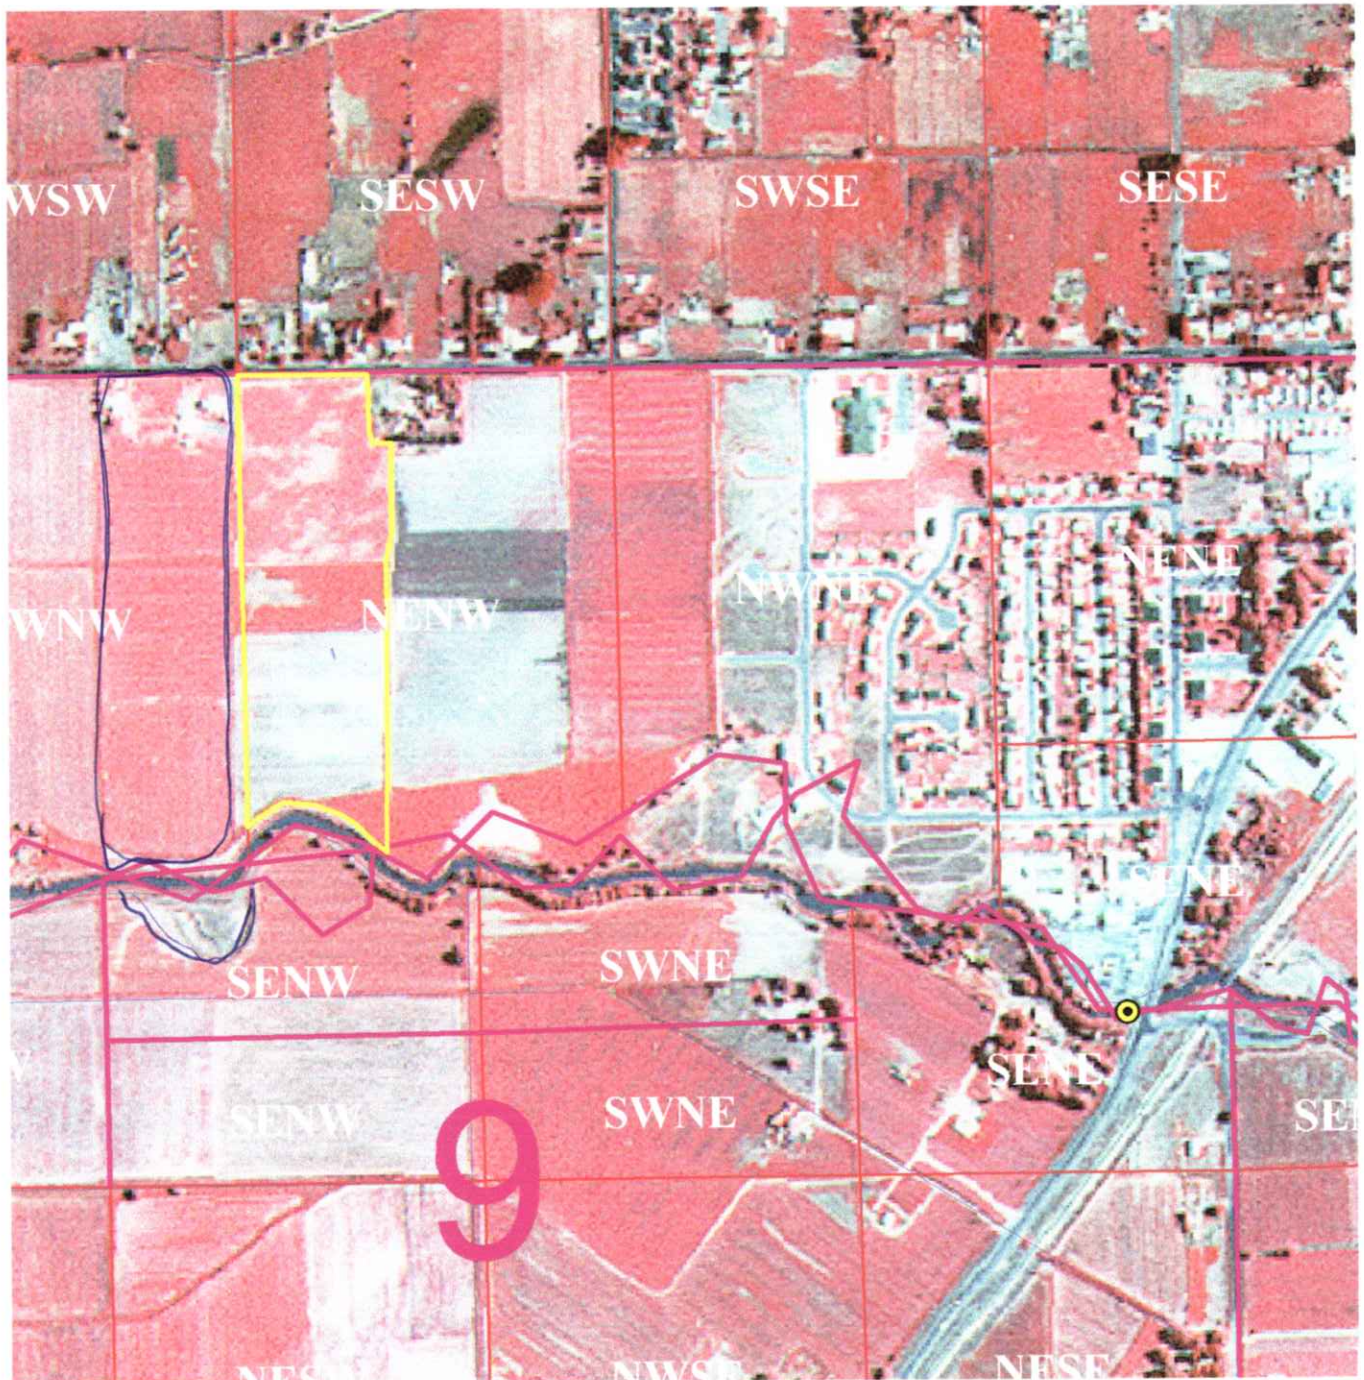

Cindy E. Bird
