Mr. Reid:

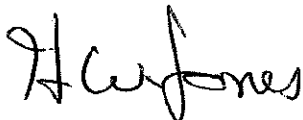

Enclosed is a copy of the front page of the Findings of Fact in the Stevens vs Eastern Idaho decree. This shows the Just Ranch including the S 1/2 of the SE 1/4 of Sec.9 of T 2S R 37E.

This of course is the land that Steve and Sharon Lyon have in Claim A27-28A.

I have discussed this with Candace McHugh, Assistant Attorney General, who works with the Snake River Basin Adjudication. She stated that if your claim for the entire amount of 2.00 cfs is to be successful, you will have to document that the ground claimed by the Lyon's was never a part, historically, of the Just Ranch.

You will need to send this evidence to Agent Cindy Bird in the Soda Springs IDWR office. I will be turning over your claim file, A27-28 to her for final review.

Sincerely,

Harold W Jones
