RE: Water Right Claim Returned

Dear Mr. and Mrs. Bischoff:

The Idaho Department of Water Resources (IDWR) is returning your check #6314 (\$50.00) and Notice of Claim to Water Right for irrigation because of insufficient fees. The fee for the irrigation claim is \$50.00 plus \$1.00 per irrigated acre.

Currently, no other irrigation claim has been filed for the 50 acres listed on the claim form. If the acreage is covered by another claim, the variable acreage fee of \$1.00 per acre must accompany the claim that is submitted first. The total filing fee due for the claim is \$100.00.

Also, the consumptive use for the 50 acres is 100 acre-feet per annum. The consumptive use is calculated by multiplying 2.0 acre-feet/acre per annum times the total number of acres. Please correct the amount entered in Item #8 of the claim form or submit additional documentation supporting the different claimed amount.

Please return the claim with the \$100.00 filing fee to the IDWR before the Fremont County filing deadline, March 23, 1989. Failure to return the corrected claim and fees before the deadline may result in an assessment of an additional \$50.00 late-fee.

If you have any further questions, please call the IDWR at 1-525-7161.

Sincerely,

Tony Olenichak
Water Rights Agent, SR
