Dear Claimants,

Thank you for returning the "Notice of Error Reply" form associated with your Snake River Basin Adjudication claims 74-1790A and 74-1790B. This letter is an attempt to answer your questions and resolve any concerns you may have about these water rights.

The description of the point of diversion for these two rights was changed based on the location determined using GPS technology. The actual location, on the ground, has not changed, but we believe the new description is more accurate.

Please feel free to contact me at (208) 287-4914 if you have additional questions or concerns. You may also reach me using email: roxanne.brown@idwr.idaho.gov.

Sincerely,

A handwritten signature in cursive script that reads "Roxanne Brown". The signature is written in dark ink and is positioned above the typed name and title.
