WATER RESOURCES

1 January 2006

I, Norman Hansen, born in 1933, age 72 have fished Pine Creek since I was 5 or 6 years of age with my grandfather.

I hereby attest to the fact that I have personal knowledge that the spring on the property now owned by Marvin and Shirley Clure was used to irrigate the orchard and land as of 1939. The fruit trees were large trees at this time. This would indicate use of the water before this date.

A handwritten signature in cursive script, appearing to read "Norman Hansen". The signature is written in dark ink on a white background.
