Re: Water Right Numbers 22-13152 & 22-13154

Ladies and Gentlemen:

Enclosed herewith please find two separate original Notices of Change of Water Right Ownership pertaining to the above referenced water right numbers, together with the required attachments. The first form pertains to the transfer of the property benefited by the above referenced water rights from Avallone and Parekh, LLC, to Daniel S. and Sarah L. Nathan on or about November 15, 2004 and April 20, 2005. The second form pertains to the transfer of the same property benefited by the above referenced water rights from Daniel S. and Sarah L. Nathan to 600 South/200 West, LLC, on or about September 26, 2005. By way of these forms, we would appreciate it tremendously if you would update the Idaho Department of Water Resources records to reflect that the current owner of the above referenced water rights is 600 South/200 West, LLC.

Due to the fact that the above referenced water rights are part of the Snake River Basin Adjudication we are not enclosing a filing fee for the filing of the Notices of Change of Water Right Ownership.

I thank you for your time and attention given to these matters and encourage you to give me a call with any questions or concerns that you might have.

Sincerely,

Clay D. Geittmann
