Dear Craig:

Enclosed please find my application for a transfer of ownership of water rights on a 47 acre property that I purchased this fall in Victor, Idaho. I stopped in at your office on October 13th (same day as your dentist appointment) and you helped me locate the appropriate water rights. The only problem we encountered was that the property owners that sold me the property (the Douglas's) had never changed the water rights into their names. You said I needed to establish a clear line of title. I have enclosed titles provided by First American Title Company that show the title transfers for both water right claims.

I did not know how to fill out section 6 on the application. Hopefully the enclosed information on the water rights is sufficient. Please call me at (303)570-1567 if you have any questions, or send correspondence to the address above. Thanks for your help.

Sincerely,

Bryce Avallone 10/30/00
