

Notes

4/28/05 9am. I talked with Ernie about Little Butte. He said he could set down with them to adjust the map but he doesn't have to time to do their map for them.

He said we will just have to use what we have if they don't get us a map.

Ernie is going to check with Ryan Madsen to see if we have some measurements for Little Butte irrigation co.

Ernie will call me back when he finds out something. CB.

5/8/05 Ernie, Ryan Madsen last yr.
24.56 CFS.

Notes

5-26-05 Danielle in Boise has the latest & greatest shape for Little Butte. Foster for Eastern To access shape & update the PLS.

4-27-05, Danielle called. Probably what they have is the same as what Soda has. RP

4/27/05 - Called and left a message for Ernie to call me about Little Butte Irrigation Co.

3:30pm Called Scott. He said the map is wrong and unless the map has house numbers on it he won't be able to tell which place they irrigate. I explained if he could go to T.F. and meet with Ernie then Ernie could bring in roads onto the project to give him some orientation.

He said that they irrigate within the City of Blackfoot. I told him that he may need to get a City map so he can print himself on the map.

I explained to him that we need the map right away because the re-immundation goes out the middle of next month.

He said he is on call for the week farm so it is difficult for him to get time to do this. I need to see if Ernie could meet with him.

2/10/05 Sent an address update form to Neil Hepworth

Scott called and I said we would send out a new map to Neil. He said they would look at it asap and get it back to us.

Scott 785-5047. Neil Hepworth 785-3119.

4-14-05 Put a copy of the decree in the file. Also called Scott, asked if they had a chance to look over the maps. He said they did, but there is a question they have about several lots in Aown they provide water to, that is not on the map. Does it need to be? I wouldn't give him an answer, told him he needed to discuss this with Cindy. PB
