_____) NOTICE OF HEARING THEREON

I. BACKGROUND

On May 18, 2005, a *Partial Decree* was issued to the City of Orofino, Idaho for each of the above-captioned water rights. The *Partial Decrees* were issued based upon the *Director's Report*, with no objections having been filed thereto. It has come to the Court's attention that the *Partial Decrees* contain a clerical error regarding the place of use for the municipal purpose of the water right. Specifically, the *Partial Decree* contains a remark stating that the place of use is described by a digital boundary, when in fact it is not. Accordingly, the Court intends to issue amended partial decrees for the purpose of correcting this error. Attached hereto are copies of the previously issued *Partial Decrees* and the proposed amended partial decrees.

II. ORDER AND NOTICE OF HEARING

Therefore, it is **hereby ordered** that the owner of this water right shall have until **5:00 p.m. on February 28, 2006**, to review the proposed amended partial decree and submit objections, if any, to the Court. **A hearing will be held on the matter on April 18, 2006, at 1:30 p.m. at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho.** Telephone participation will be available by

dialing 918-583-3445 and entering code 406128. Participation in the hearing is not mandatory. After the hearing, and in the absence of any objections, the amended partial decree will be forthwith summarily entered as proposed.
