To Whom It May Concern:

The Board of Directors of the New York Irrigation District has deemed that the service area boundary of the New York Irrigation District is illustrated accurately, without modifications, and in its entirety on the map(s) created by Danielle Favreau on July 11, 2005. Additionally, the previously identified map(s) accurately illustrate the location of land serviced by the company as of 1987. We understand that in the process of finalizing the SRBA recommendations, these maps may be adjusted.
