RE: Water Right Number 2-10014

Dear Mr. Dreher & Mr. Shaff:

We are requesting that you extend our deadline for the notice of error reply and reconsider the water right on our family's property.

The notification was inadvertently sent to Mr. Robert W. Uhl, % my cousin, Gwen Kindstrom. Mr. Uhl was my father and he passed away in February 2004. My cousin just sent the information to me so I did not receive it in time to attend the meetings or meet the reply deadline.

I am the personal representative for the family members which are the owners and were owners when I filed for Snake River Adjudication on their behalf on 2/17/1989. They are on record at the Owyhee County Court house. They include my Mother, Leigh Alice Uhl, my cousin, Charles Uhl, and my cousin, Gwen Kindstrom.

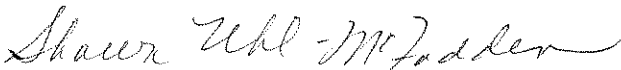

My grandfather homesteaded this property in 1914 with a water right dating back to that time.

The property has been leased for the last few years. A portable generator, pump, and hand lines have been used to irrigate pasture and provide water for cattle on this property.

I have completed the error reply and included it with this letter.

Please let me know if there is something further that we can or should do to have our request reviewed and approved. Thank you for your consideration.

Regards,

Shawn Uhl McFadden
Personal Representative

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source): *Extend deadline for error reply due to mailing error and not receiving preliminary information in time to respond by due date or notice for meetings.*

2. Describe the changes you wish to make in the proposed recommendation:
Recommend for water right being allowed

3. Give a brief explanation as to why you disagree with these portions:
Existing Beneficial use for irrigation & water for pasture and livestock.
Water right initially established in 1914.

☐ I AGREE with this proposed recommendation: no changes need to be made.
