RE: New Snake River Basin Adjudication (SRBA) claim for Domestic use.

Dear Mr. and Ms. Hildreth,

Enclosed is the new claim for domestic use from well #1 as we spoke about on the phone. Note that the diversion rate I entered on the claim of 0.04 is standard for a Domestic right. The legal description for POD and POU was determined from the filed exam performed in 2001 and our recent phone conversation.

Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office with the filing fee of \$25.00.

Please feel free to contact me with any questions.

Respectfully submitted,

Craig L. Saxton
Sr. Water Resource Agent
Adjudication Bureau

Subject: Hildreth 29-02285 and 29-04227

Hello Jen,

I have a couple favors to ask you. Could you put a copy of the attached letter in claims 29-02285 and 29-04227. In addition could you put a copy of this e-mail in both files. Lastly, I changed the recommended priority date for 29-04227 so a new copy of the recommendation for this rights needs to be put in the file.

Thanks,

Craig

Conversation Notes:

I spoke with H B Hildreth on February 24, 2003. Mr. Hildreth had two concerns with his water rights.

29-04227 was recommended with a 1958 priority date. He said it should be 1955. Research indicated that his well was completed on May 28, 1955. I told Mr. Hildreth to send in his NOE and I would make the change on the priority date to May 28, 1955. He agreed. Note that I made this change based on our phone conversation so if the NOE is sent in and the priority date already says May 28, 1955 - that is why.

Neither right 29-02285 or right 29-04227 included well #1. This well was hand dug in 1900 according the Mr. Hildreth. The well is currently dry, but if the water table ever rises he will want to use it. It contains a pump and is plumbed into the home on Parcel R4013017800. I prepared a Domestic claim for this domestic use and sent it to him on February 24, 2003. This right is 29-13492 and is set at temporary status until signed and returned to this office with the appropriate filing fees.

Craig L. Saxton
