This form is used to file a late Notice of Claim or an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

☒ I did not file a Notice of claim to the use of water in the SRBA because:

Because of its unfamiliarity with the SRBA and its procedures, the City of Kooskia was unaware of the deadline for filing its Notice of Claim. Any notice sent by the SRBA was either misinterpreted or misunderstood. The failure to file was an innocent mistake and unintentional on the part of the City.

☒ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)
