Subject: re: NOE for 2-2437, 2-10140

Dear Vic,

I am in receipt of your responses to Notices of Error for 2-2437 and 2-10140 as Steve Robischon has very recently moved to Moscow and is no longer working with the Adjudication staff. In response to your NOE's I wanted to clarify the reason for the common descriptions for the places of uses for 2-2437 and 2-10140. Claim 2-10140 is an enlargement of 57 acres from 2-2437 and as a result both claims must be recommended as a permissible place of use, hence the common descriptions. Both recommendations are limited to the number of acres described on each claim(57ac for 2-10140 and 284 ac for 2-2437), with the advantage of moving those acres anywhere within the permissible place of use. Claim 2-2437 and 2-10140 are limited to a combined total of 341 acres. As such we must leave the recommendations as is. Please contact me if you have any questions.

Sincerely,

Misty Mount
