10/25/01 Spoke to Mr. WENKING (AT HIS WORK) ²³⁷⁻⁴³³⁰. Discussed my
FIELD EXAM. Need to look at POB & POU.

He uses a portable pump from River.

Also, spoke w/ Mrs. WENKING. Discussed POB and Portable
Pump use from River.

It appears there is (could be) a RECTIFICATION ERROR
OF GCDB AND Photo where GCDB is OFFSET TOO FAR WEST.
ADVISED Mrs. WENKING TO FILE A Field Amendment which
will allow RECOMMENDATION OF OTHERWISE UNCLAIMED
ACRES - She did so - CC attached on claim sheet.

There are ACTUALLY 2 DOORS, EACH CONVEYING 0.06 cfs
of Pontchartré Water Rt. $\Rightarrow \leq 0.12$ cfs, as claimed.
