RE: Stream Alteration Permit No. 13-S-111

Dear Mr. Bowman:

Pursuant to your request, please accept this letter as an extension of Stream Alteration Permit No. 13-S-111. The permit authorizes riprap bank stabilization along the Cub River in the approximate location of the SW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 24, T15S, R40E.

All of the original permit conditions still apply to this project. A copy of this letter and a copy of the original application shall be kept on the construction site for inspection.

This permit shall now expire on December 31, 2002.

Sincerely,

W. Roger Warner
Stream Protection Specialist
