Enclosed are 3 maps. map #1 is the map I sent 12-14-05 to Kenneth Knoblock, Water Resources Agent at Coeur d'Alene.

This map specifically shows the cabin location & domestic water ditch that connects to Bemis Creek.

map #2 is the same except shows Bemis Creek and Warren Creek in relation to the cabin. Also it shows the point of diversion that the water is taken from the ditch for the cabin.

map #3 is a revision showing the actual place of use and point of diversion. This map was originally prepared by IDWR.

Sincerely,
C. E. Smith
