Craig,

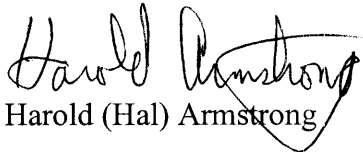

These statements support previous river water use on all of our land. The claim number is 29-02224K.

I couldn't get documentation from Idaho Power for water pump power hookup other than the pole and power line is still there.

Let me know what else I can do.

Thanks!

Sincerely,

Harold (Hal) Armstrong

I, Susan Honas residing at 2766 Bannock Hwy, Pocatello, ID for 50 years verify and witness that the Armstrong family residing at 2771 Bannock Hwy., Pocatello, ID have utilized Portneuf River water to irrigate their acreage up until Hatton, the father, became sick and passed away Nov 20, 1997. The water was utilized for trees, a garden area, and pasture for their animals. The last time I witnessed the river water being used to irrigate the property was Summer 1992
