Case No. 39576

) For Water Rights: See attached list.  
)  
) NOTICE OF COURT'S INTENT TO  
) ISSUE AMENDED PARTIAL DECREE,  
) AND NOTICE OF HEARING THEREON  
)

On August 18, 2005, *Partial Decrees* were issued for the above-captioned water rights. On October 13, 2005, this Court issued an *Order Setting Aside Partial Decrees*, noting that the rights were claimed by the United States as "dual based" water rights, and no evidentiary hearing had been held regarding the rights before they were decreed. On December 20, 2005, the Court held an evidentiary hearing in accordance with I.C. 42-1411A. The United States submitted evidence, in the form of affidavits, to show that the rights, with some exceptions, were valid federal reserve water rights based on Public Water Reserve (P.W.R.) 107. There was no opposition at hearing to the claims.

The Court finds that the following rights are valid federal reserved water rights: 34-13676, 34-13678, 34-13681, 34-13683, 34-13684, 34-13685, 34-13689, 34-13692, 34-13693, 34-13694, and 34-13704. The Court finds that the rights are appropriate to be decreed with a priority date of April 17, 1926, the date of P.W.R. 107.

The United States, at the hearing, noted that the following water rights were not valid federal reserved water rights: 34-13691, 34-13695, 34-13696, 34-13697, and 34-13698. The Court finds that the rights are appropriate to be decreed with the state-based priority date of June 28, 1934, in accordance with a settlement between the United States and the State of Idaho.

Because the affidavits submitted by the United States include clerical changes to the claims that were not included in the *Director's Report* or abstract for these rights, the Court finds it appropriate to proceed with a *Notice of Court's Intent to Issue Amended Partial Decrees*. The Court intends to amend the *Partial Decree* in accordance with the attached.

Therefore, IT IS ORDERED that a hearing will be held on this matter at **1:30 p.m., Mountain Standard Time, March 21, 2006 at the Snake River Basin Adjudication Courthouse, 253 3<sup>rd</sup> Ave N. Twin Falls Idaho.** Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.

Dated: January 17, 2006.
