RE: Notice of Error Reply 27-94, 27-4058 & 27-11930

Dear Sid and Cheryl:

In response to the Notices of Error you submitted after the initial mailing of the Preliminary Director's Reports in May 2005, enclosed for your records are the revised Preliminary Director's Reports for the above listed water rights and maps of the place of use. These reports are based on information obtained subsequent to the initial mailings and replace the previous Preliminary Director's Reports.

The Department expects to submit to the Snake River Basin Adjudication Court all recommendations for the Blackfoot Drainage, Basin 27, in November 2005. At that time you will receive a Director's Report for each of your water rights, which should mirror each of the revised preliminary recommendations. The Director's Report mailing will not include a map.

Naturally if you have questions please call me at the above phone number.

Respectfully Submitted,

Ernest Carlsen
Water Right Supervisor
